## R. R. STRIKE IS ON; 600 HAVE WALKED OUT

Labor Board Today Makes Proposals for Settlement to Be Submitted to Union Heads.

### CONFERENCE WEDNESDAY

Government Will Not Step in Unless Actual Walkout on Extensive Scale Commences.

CHICAGO, Oct. 22.—The Brotherhood of Railroad Shipworkers, today decided not to join the five big brotherhoods in their strike October 30.

HOUSTON, Tex., Oct. 22.—The proposed nationwide railroad strike got under way today when 167 trainmen employed by the International and Great Northern walked out here.

Simultaneously, thirty-five men quit work at Palestine, Tex., and sixteen at San Antonio.

Officials of the International and Great Northern are making preparations to continue regular train service. Fifteen hundred special workers have been employed to guard the right of way and company property and the services of former railroad men have been secured to replace the strikers.

CHICAGO, Oct. 22.—Definite proposals for the settlement of the railroad strike were formulated by the United States Railroad Labor Board today for submission to union heads and executives at the conference here next Wednesday.

The proposition will be based mainly on proposals submitted to union chiefs some early this week.

Failure of the conference with the union heads, labor board members believed, was due to the fact that the executives had not yet agreed to the proposition of immediately reducing freight rates in accordance with the July wage decision and to withdraw from their determination to ask for further wage reduction immediately.

WASHINGTON, Oct. 22.—Decision has been reached by President Harding and his advisers to leave the rail crisis in the hands of the Railroad Labor Board until an actual walkout on an extensive scale begins, it was learned today.

If the strike should come the government will then step in and move necessary commodities by whatever method it deems wise.

The program for the fifteenth anniversary series of Phi Mu Alpha, for the year 1921-22, has been announced as follows:

November 28—The Impresario Company.

December 14—Bronislaw Huberman, violinist.

January 23—Olive Kline, soprano.

February 20—Holmes Cowper, tenor.

Fifteen years ago, Phi Mu Alpha started its work with one concert for the year, and its scope has gradually broadened until this year it presents a series of six concerts.

The first number in the series, the presentation of Mozart's comic opera, "The Impresario," by the Impresario Company, is a distinct departure from the usual programs offered. The opera, which will be given in the English translation, has been presented in New York very successfully. The company, headed by Percy Hennes, baritone, consists of five singers and one pianist.

The violinist, Bronislaw Huberman, is making his second tour of the United States after an absence of twenty-four years. In his tours of the continent he has received the most favorable comments from critics all over the world.

Olive Kline, coloratura soprano, appeared in Columbia under the auspices of Phi Mu Alpha during the season of 1916-17. Her work at that time was favorably commented upon by musical critics here.

Holmes Cowper, American tenor, whose program will comprise the fourth number in the series, has appeared with leading orchestras and organizations all over the United States.

The St. Louis Symphony Orchestra, under the direction of Rudolph Ganz, has been secured for the last number. They will give two concerts, one in the afternoon and one in the evening. The orchestra is composed of eight men. They have not appeared here since the season of 1916-17, when they came under the direction of Max Zach. There will be soloists with the orchestra, to be announced later.

Season tickets for the series will be put on sale about November 15. The prices will be the same as last year, \$5 for reserved seats and \$2.50 for the unreserved seats in the balcony.

### TIGERS COUNT SAFETY

Kansas Aggies Forge Ahead in Last Quarter by Touchdown and Goal.

By a Staff Correspondent.

MANHATTAN, Kan., Oct. 22.—The Kansas Aggies won today's football game from the Missouri Tigers in the fourth quarter when a forward pass netted 55 yards, placing the ball within a foot of the Missouri goal line. Starks went over and Sebring kicked goal.

The final score was: Missouri 5, Kansas Aggies 7.

Missouri attempted a field goal in the last quarter before the Aggie touchdown but the kick went underneath the posts and the ball became Wilcox property on the Missouri's 20-yard line. The score at this time was 5 to 0 in the Tigers' favor.

Neither team was able to score during the first half and when the whistle blew after the first half hour of playing, the ball was only four yards from the Aggies' goal line. Missouri had been making first down repeatedly having made four without losing possession of the ball.

The timekeepers whistle was all that saved the Aggies in the second quarter as the Tigers had driven almost the entire length of the field to the four-yard line. The Tiger offensive was headed by the powerful Lincoln, who tore great holes in the Aggie line. It was difficult for the Wildcats to hang on to Lewis and Lincoln. Packwood and Kershaw also plunged effectively. Burton and Starks were the Big Berthas of the Aggie backfield.

Missouri's scoring started in the third quarter when Chuck Lewis dropped a pretty kick between the goal posts from the 20-yard line.

After an Aggie had kicked to Lewis in the middle of the field, Lewis booted back almost to their goal. Bryan felt back to kick out of danger and fumbled. Hamilton downed him for a safety.

Lewis shot through for 12 yards and Lincoln added 2. Packwood made it first down with a pretty sprint for 8 yards. Lincoln and Lewis made 3 and 5 yards. Lincoln's knee was injured and Doctor Lawler, Missouri trainer, rendered first aid.

A Missouri fumble lost 20 yards and Lewis kicked outside in the center of the field.

An Aggie pass to Sebring netted 55 yards and took the ball within one foot of the Missouri goal. Starks carried it over for a touchdown. Sebring kicked goal.

Score: Missouri 5, Aggies 7.

Musgrave went in for Lincoln and Armstrong for Gay. The Aggies were penalized 15 yards for delaying the game. Starks kicked to Musgrave on the 30-yard line. The Aggies intercepted a pass. Missouri got her first and only penalty of the game—a 5-yard one. The game ended.
